

DITRA Contributes to Indonesia Chapter of Lexology Panoramic: Equity Capital Markets 2026

We are pleased to share that we have contributed to the Indonesia chapter of *Lexology Panoramic: Equity Capital Markets 2026*, published by Law Business Research Ltd.

The chapter provides an overview of Indonesia's equity capital markets, covering the key legal and regulatory framework, public offerings, private placements, and offshore offerings. It also discusses underwriting arrangements, disclosure and reporting obligations, market conduct rules, liability and enforcement and recent regulatory developments shaping the Indonesian capital markets.

Download the Indonesia chapter or access the full Lexology Panoramic: Equity Capital Markets 2026 guide covering multiple jurisdictions using the links below.
